PROFESSIONAL EXPERIENCE

Chaince Digital Holdings (Nasdaq: CD) — **New York, NY**
Investor Relations Intern — *Aug 2026 – Sep 2026*

- Built a due-diligence analysis on a public GPU/neocloud lending target using primary SEC filings (10-Q, 10-K/A, 10-K), independently verifying governance structure, counterparty exposure, and financing terms and correcting inaccuracies found in initial secondary-source research
- Contributed research and PowerPoint slide content to a $4M institutional fundraise deck (at a $40M valuation) for an RWA tokenization/DeFi infrastructure platform, translating technical concepts into investor-facing analysis for a non-technical audience; produced additional investor- and client-facing documents across the firm's SPAC business line using AI-assisted tooling to match brand and compliance standards
- Reviewed and re-architected the prompt logic for Chaince's AI-powered Market Intelligence platform, translating complex investment due diligence workflows into scalable LLM systems that automated analysis of investor relations updates, transaction developments, deal structures, term sheets, and financial counterparties to enhance company screening, deal sourcing, and the firm's AI-driven investment capabilities

Vital Strategies — **New York, NY**
Summer Associate – Operations, Global Enterprise Integration Department — *Jul 2026 – Aug 2026*

- Conducted country-level operational risk assessments (Kenya, Rwanda, Vietnam, Indonesia), synthesizing research across 4+ subscription intelligence platforms (ISOS, Sibylline, Factual, OSAC) and government/multilateral sources (U.S. State Dept, UK FCDO, WHO, Africa CDC) into standardized, decision-ready reports covering civil unrest, health, financial, and cyber risk
- Built and implemented a standardized reporting template across a growing multi-country assessment series, applying rational, evidence-based decision-making and AI-assisted synthesis to process high-volume source material while independently verifying findings against primary sources
- Maintained a four-tier travel risk classification system, routing recommendations through SVP/CEO approval chains, and delivered site-selection-specific security recommendations (physical infrastructure, access controls, financial controls) by coordinating cross-functionally with finance, legal/compliance, and country program teams

New York Philharmonic — **New York, NY**
Strategy & Finance Consultant Intern — *Feb 2026 - Jun 2026*

- Built a CFO-grade Social Media Effectiveness framework by benchmarking against 5 Tier-1 orchestras and structuring a 4-pillar KPI taxonomy, which transformed social media into a data-driven product investment lens that informed executive decision-making and improved cross-functional alignment on audience growth and monetization strategy
- Designed a Board-ready Social Media ROI dashboard integrating 8 performance and efficiency metrics with peer benchmarks, enabled Finance Committee stakeholders to track user engagement trends and optimize marketing investment decisions with institutional-grade analytical rigor
- Delivered financial and operational recommendations on Entertainment and Travel spending during FY26/FY27 planning by synthesizing revenue drivers, cost structures, and long-term sustainability scenarios, which supported executive-level strategy formulation and improved clarity in multi-year investment prioritization

International Rescue Committee — **New York, NY**
Management Intern — *Feb 2025 – May 2025*

- Designed and implemented a case management and performance-tracking Excel model for 100+ refugee and immigrant clients, standardizing intake and needs assessment; led progress reviews for ~30 active clients, combining research and stakeholder interviews to generate employer-matching recommendations that achieved a ~40% placement rate

UnLearning Education LLC — **Shanghai, China**
Founder / CEO — *Apr 2021 – Present*

- Identified the strategic case for expansion at year three and led the organization's structural scale-up, growing the team from 4 founders to 20 members, launching a second annual program, and building department systems and equity structure from scratch
- Designed and launched two education program lines (annual summer camps; bi-weekly humanistic workshops) with standardized delivery workflows and cost structures, serving 600+ students across 7 cities/regions while sustaining ~30% gross margin
- Built strategic partnerships with United World College and 20+ education associations across Greater China, securing US$20K in non-dilutive funding (Middlebury Project for Peace; Davis Scholars Program); represented the organization at global platforms (UN 2024 Summit of the Future; TEDx; NY Entrepreneurship Forum), generating 10+ qualified partnership and funding leads

LEADERSHIP EXPERIENCE

Greater China Initiative, Columbia SIPA — **New York, NY**
President — *Dec 2025 – Dec 2026 (Expected)*

- Initiated and directed 4 cross-functional teams (Alumni Relations, Business Development, Events, Marketing/PR) across a 40-person organization, independently owning end-to-end planning for the annual China Trek and the Harvard-Columbia China Forum
- Sourced 70+ speakers and led a 20-person team to organize the annual China Forum for 500+ attendees and 100+ invited guests (e.g., David Firestein, Graham Allison, Jeffrey Sachs, Kai-Fu Lee, Fred Teng); secured sponsors (Bank of China, Taihill Ventures) totaling $50K+, and managed the VIP invite list and on-site guest reception logistics
- Navigated shifting geopolitical sentiment affecting program participation by designing 3 pre-departure sessions with invited faculty, then directed a 33-person China Trek delegation on a ¥120,000 (~$17,000) budget; resolved a high-stakes stakeholder conflict at a Tsinghua University/Schwarzman College partnership event
